## **Latest News**

*Please note – Optimax Windows Updates are available via the Optimax website ( [www.optimax.mhs.co.za](http://www.optimax.mhs.co.za)) – register today.*

### **Optimax Windows Update Version 1.3.153**

Where more than one Computer is used, as part of a Network in the practice, please ensure that the update is done on the server. The server and all the other workstations must be logged out of Optimax. Failure to follow this instruction will result in very serious data problems occurring.

You are granted the right to install the update on your own computer/computers subject to the limitations of the copy protection software. This update is for your practice only. You shall not permit any other person to use this update and Optimax does not hold itself responsible for any software corruption if used by an illegal user.

#### **This update contains :**

- Adjustments to MedScheme tariffs effective 5<sup>th</sup> May
- Appointment book – enhanced to allow recurring bookings
- Management reports – ability to e-mail to Head Office
- Invoicing from Masterfile while in Disposable Contact Lens module
- Stock Adjustment report – total value now calculated

**The number is 011 – 548 8050**
